

## **Wistow Parish Council Grant Awarding policy**

### **Introduction**

Wistow Parish Council (WPC) awards grants to voluntary and community groups, which in the opinion of WPC is in the interests of the village and/or its residents and will benefit them in a manner commensurate with the expenditure. This document gives the general funding principles and details its expectations of all groups in receipt of grant aid.

The powers available to award grants are LGA (Miscellaneous) 1976, sec 19 (1) & (3). (1) states all the applicable facilities and services that can be provided and (3) provides the power to contribute through a grant. If the grant application received does not include any of the facilities listed in LGA (Miscellaneous) 1976 (1) or any other available powers, then LGA 1972, sec 137 applies.

WPC values the diversity and strengths of the local voluntary sector and acknowledges its independent role in the community as:

- A source of valuable services
- A means of enabling people to work together
- A channel for campaigning and advocacy

With this in mind WPC operates three different grant schemes to ensure it is fully inclusive, meets the needs of groups and organisations, whilst ensuring it is accountable and transparent on how the grant monies are allocated and spent. The three schemes are:

*Start-up Grants* for those groups that have been in operation for less than 12 months and may need 'seeding' money to get them started. There is no limit on the amount that can be requested but it is expected that it will not exceed £500.

*Small Grants* up to £1,000 for one off projects or events. It is expected that these grants will only be granted for a maximum of two years and the groups will not become reliant on on-going grant funding. For anyone seeking grants longer than the two year period, they will be requested to provide an application in advance of the financial year the money is required, with additional reasoning behind application.

*Community Grants* over £1,000 for one off and/or annual events.

It is expected that any grant given will help:

- the village's voluntary groups to improve their effectiveness

- ensure the provision of services needed by the village’s residents via the voluntary sector
- support organisations which meet the needs of people experiencing social and economic difficulties and;
- ensure that there is equality of access and opportunity for all town residents to the services and funds it provides.

## **2. Who Can Apply?**

Any local voluntary organisations, community groups and sports/recreational clubs based in the village that operate on a not-for-profit basis are eligible to apply. This includes play groups, youth clubs, community associations, community event groups, senior citizen social clubs, gardening clubs, conservation groups, sports clubs, etc.

This list is not exhaustive but all groups must be open to the whole community. Ultimately the group must:

- be of a non-commercial nature,
- have a constitution, set of rules or documented aims and objectives,
- have a bank account with at least two signatures.

The overarching concern of WPC is that any grant application must be seen to be of benefit to residents of the village.

## **3. How Can the Grants be Used and How Are They Decided?**

Grants can be used for capital projects or for revenue purposes but only for the purpose specified in the application and grant.

WPC considers applications on the following basis:

- How well the grant will meet the needs of the community.
- How effectively the organisation will use the grant.
- Whether the costs are appropriate and realistic.
- Level of contributions raised locally.
- Whether the organisation could reasonably have been expected to obtain sufficient funding from a more appropriate source.
- How the organisation is managed.

## **4. How and When Should an Application be Made?**

All applications are to be made on the relevant form which can be obtained from the from the Parish Clerk. Submission dates for the grants differ. In general the following dates should be considered:

*Small Grants* by the end of March of the year the grant is required for. These will be considered at the May Full Council meeting and a decision given within 2 weeks of the meeting

*Community Grants* by the end of October preceding the year in which the grant is required for. These will be considered at the November/ December Council meeting as part of the WPCI's budget setting process. A decision will be given to the group by the end of January and the funds transferred to the group during April

## 7. What Are the Conditions of a Grant?

- The grant can only be used for the purposes stated in the application and WPC reserves the right to reclaim any grant not being used for the specified purpose of the application.
- If the organisation requires a change of the purpose of the grant, WPC's prior approval must be obtained.
- Organisations are responsible for ensuring that they are in compliance with all legal and statutory requirements.
- Should for any reason the organisation disband during the period of the grant, WPC may ask for all or part of the monies to be repaid.
- Recognition of the grant received from WPC must be made in any publicity.
- The organisation being awarded the grant is required to submit a report detailing how the grant was used and the impact it has made or a progress report in the spring the following year and may be expected to attend the Annual Parish Meeting (usually held between March and end of May each year) to show the community how the money was spent.
- Organisations can normally only make one application per year, though exceptions can be made.
- Organisations should make all reasonable efforts to match the funds supplied by means of donation or sponsorship and provide evidence of how this was done.
- Recruit and support volunteers where appropriate.
- Should any of these conditions not be met it could result in the grant being withdrawn, the grant having to be repaid and future grant applications being refused
